SUN OF MAN

FOR EVERY TIME
THERE IS A BOOK !!

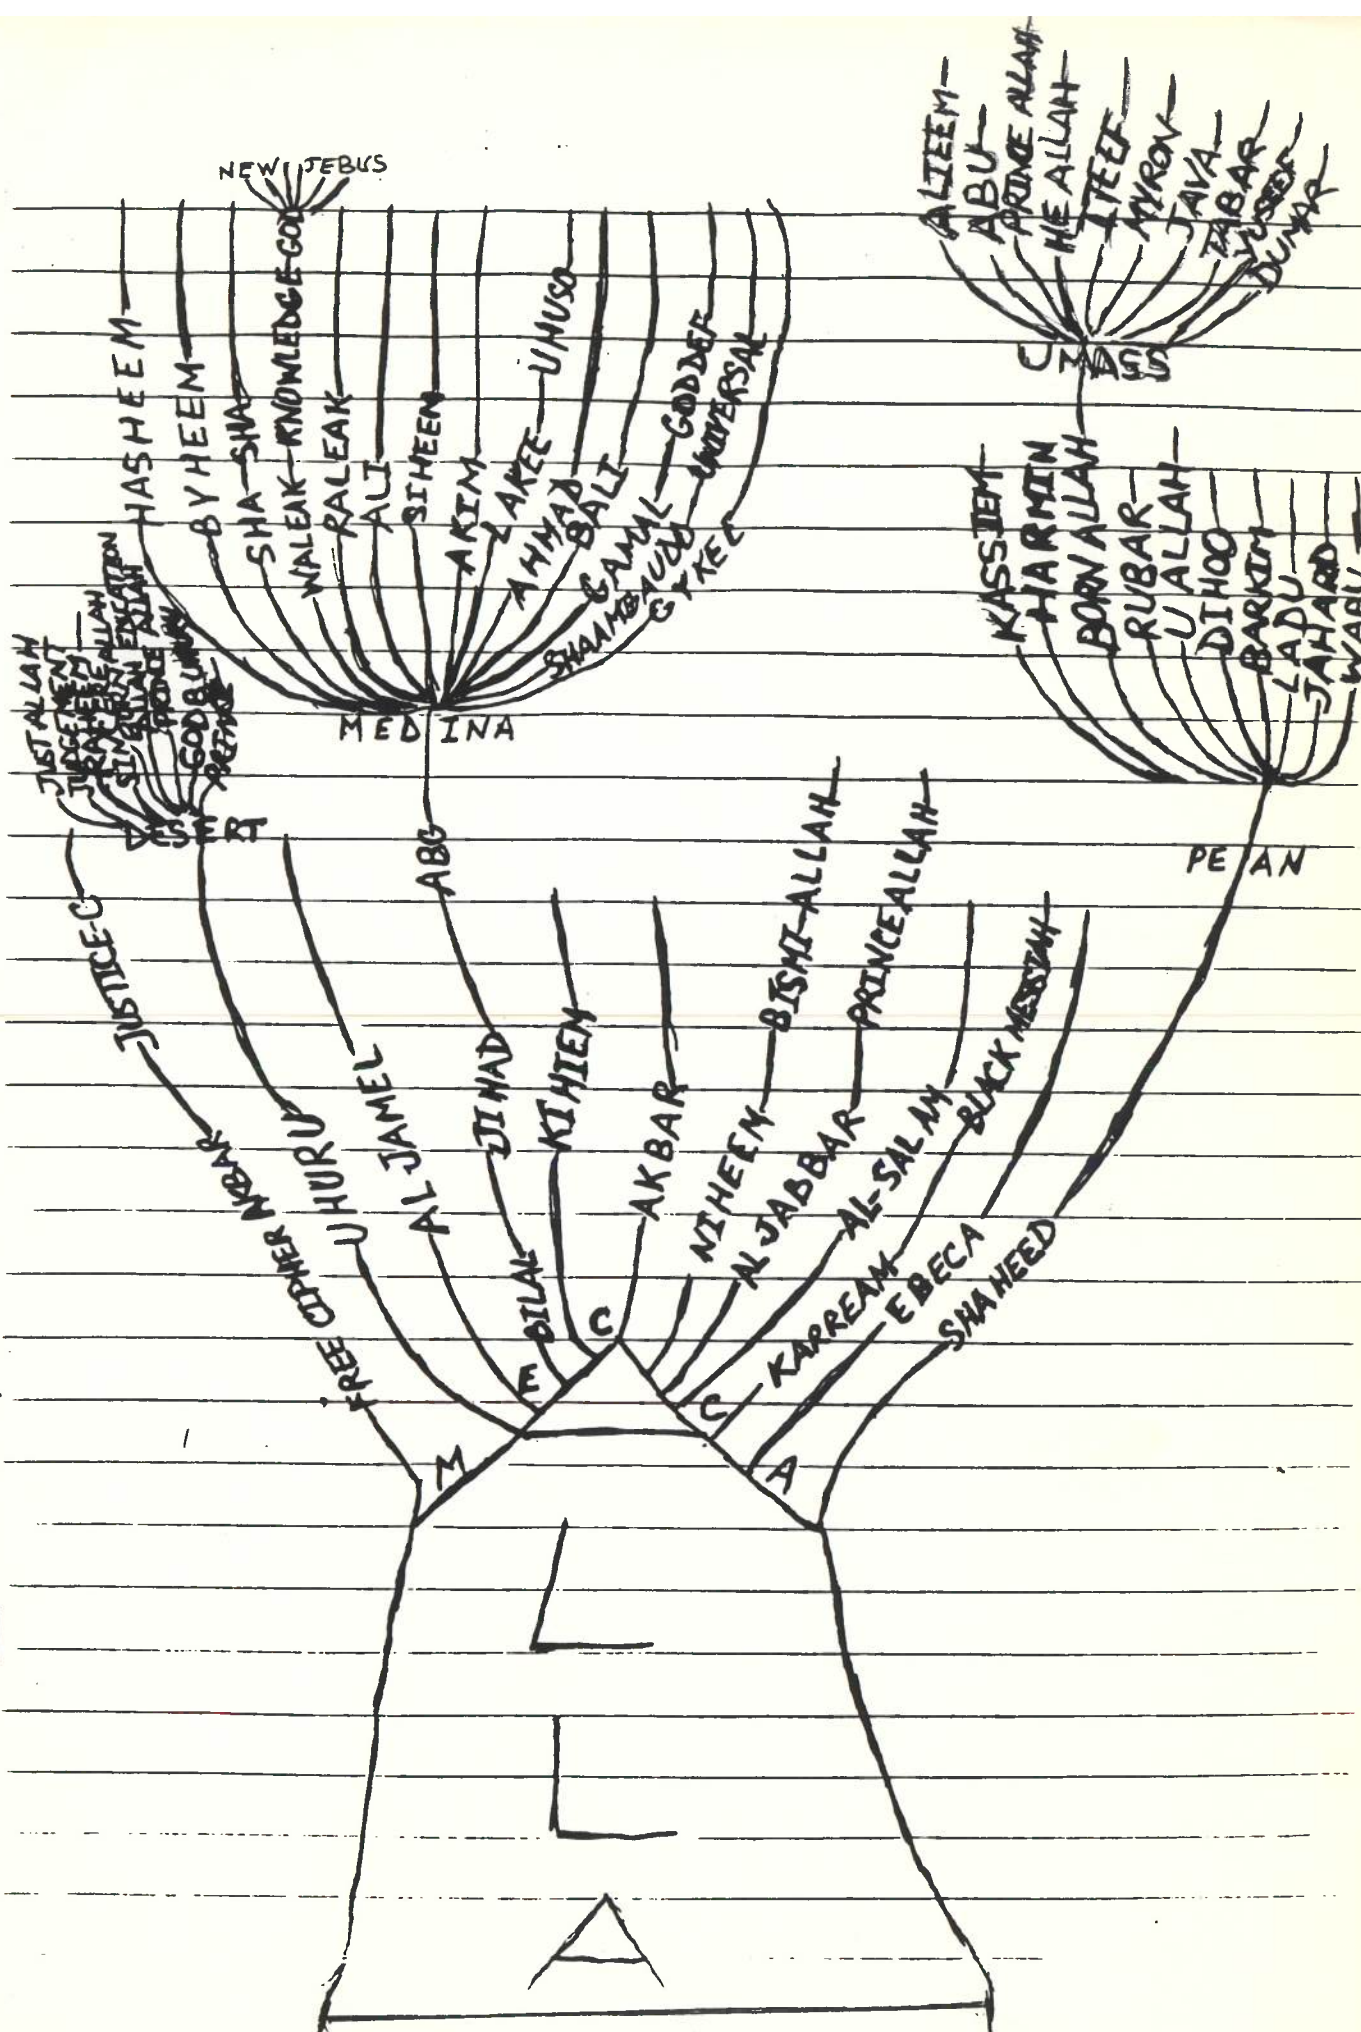

LIGHT-Traveling at the speed of-THOUGHT

A
FIVE
PERCENTER
DIGEST

INTRODUCTION

This is the original and proper order of the first born. Anything or anyone else is totally contrae or a down-out lie and I accept any and all challenges from anyone to prove me different. For I am dealing in the supreme mathematical order of the teachings of almighty God Allah, which are right and exact and can be proven beyond a shadow of a doubt within no limit of time.

Now for those of you that have been running around saying so many things different, I say correct and amend your ways, and as we use to say, stop claim-jumping, find yourself back to the original teacher and trace your rightful heritage to the proper order of your teachings. (Meaning if you can not bring it back from which it all came then there are errors in your ways of teaching. Meaning maybe, and with no doubt in my mind you are not a five percent never was and perhaps will never be, simply cause you can not come and tell me that nobody taught you anything, for that's a lie!! A lie that you do not believe yourself. The only man that I know that was self-taught was almighty God Allah, himself; anyone else is lying to themselves. (Thank you very much.) So get your act together, if you have an act, or just get for real the time has come for the structuring of the nation. No more, I am God and I do as I please-bull shlitz. There will be no more of that in the name of the five percent nation. For all that is just plain savagery in itself. Don't bring the bull shlitz difficulty around the nation, we can do without it. Please, need I say more? I think not, I was taught whosoever that do not heed will definitely feel for chastisement is swift and changeable as in the beginning shall be the end, listen carefully. That has been taught to us as a people.

In the name of the true and living being, Lord of all worlds, architect of all creation master of the day of judgement. To whom all praises are due, whose proper name is ALLAH. We greet you in PEACE of the highest order.

As always we hope this issue finds you and yours in the best of health spiritually, mentally and physically. We here are moving right along in steps and stride.

There have been some confusing talk about the SUN OF MAN DIGEST. Since MASTER ALLAH WHY (MAY) JUST YOU N EQUAL (JUNE) JUST YOU RIGHT WHY (JULY) ALLAH YOU GOD US HE TAUGHT (AUGUST) SEPTEMBER OR REJECTER (SEPTEMBER) CIPHER SEE TRUTH CIPHER BORN ENTIRELY RIGHT (OCTOBER)

The introduction of all the issues remain the same. It is the tree of life that continues to grow, so on and so forth. (MAY) MECCA, (JUNE) MEDINA (JULY) PELAN (AUGUST) DESERT (SEPTEMBER) NEW JERUS (OCTOBER) U MASS

There may seem to be repeating issues, some points have been time and time reiterated. However no two issues are the same, rest assure for you cannot get the same issue at each rally from me or no one else for that matter. The one reason, I take each month's issue to press personally.

So when, I hear the brothers talk about they have each new month's issue. I attempt to explain to them to watch the growth of the tree of life also to look for the monthly SUPREME ALPHABETICAL understanding of each.

Which, I am certain many of you have never heard described as such in the language. As once told to me by ALLAH " Sun if you cant speak the language, you don't belong in the land."

The actual, factual duty of a FIVE PERCENTER in the CIPHER SEE TRUTH month is to add a cipher to the knowledge that has been born to them. So that you can see the true cipher, Also for the cipher to see truth born entirely in righteousness. Making a transformation into the proper reflection of yourself.

The truth of the matter being, if the teachings are not enhancing and enriching the quality of your life. Then it is not feasible for you to adhere to such. As for myself my life have been drastically changed for the better since embracing and accepting the teachings of ALMIGHTY GOD ALLAH.

I was taken through a rites of passage to attain a certain level of manhood. After twenty eight years of all kinds of experiences of joy, of sorrow, of danger, of safety, of difficulty, of success, of ease, of hardship, under the grace of ALLAH, I have persevered, despite the many things that, I brought onto myself we have a tendency to create our own dilemmas. So as we trudge the road the straight and narrow, it may not be easy, however it is simple leaving it in the hands of ALLAH.

Many of my brothers share the same experiences in the struggle for humane, social dignity in their lives. Some have sacrificed their lives, others have achieved a minimum amount of success. Which is far better than those whom have made no attempt to achieve or acquire anything.

The brothers that have endured the things that were mentioned seen many come and go. As said once before let us make the most of whom or what comes and the least of whom or what goes. Those whom have stayed the course through dedication, devotion and intuitive instinct. Know that the reward is far be it from materialistic, It is PEACE, SERENITY and reasonable HAPPINESS in this live here and now.

However this cannot be accomplished or achieved with the use of foreign substances. Why? Because ^{our}~~of~~ beloved brothers and scientists demonstrated to us with their very lives. What more do you need? For it to happen to you per se, THINK!!! The choice is entirely up to you.

Those whom have attained a minimal degree of our just reward, can carry this message and deliver it to those who desperately seek it and sincerely wants it. Then the true cipher can be seen and the cipher can see the true perspective of the teachings.

These writings entails a certain degree of our history as it was given unto us. The history unfolds according to our supreme alphabetical mathematical, culture of ALLAH. Following each issue carefully and closely the picture will begin to get clear so that the naked eye can and will detect it easily.

There are certain brothers that walk around with archives full of knowledge of our history. Ask them they should be glad to tell you. Look for the honesty, for what was implanted within them must emerge from them. As always stated a seed is a seed Make the true teachings of the ALMIGHTY LIVING GOD present it self forward, onward and upward.

One of the brothers that come to mind is my beloved baby brother GAMEL. Whom during our separation era surmised right and exactly and was accepted by the FATHER ALLAH. Our universal actual facts, a respective, perspective of the planets distances from one another. We the born of MEDINA and the others had to take a look at the truth that was seen by our brother in his original cipher.

This should be the end results to the means of your teachings. They should always better a persons station in life his or her situation and perspective. That is the purpose of carrying the message and teachings of the FIVE PERCENT. Despite the popular misconception to the contrary.

We must make amends for the errors that have been instilled among us. The responsibilities are entirely ours, we must also be fully accountable for the present and future actions of our nations deeds. The posterity of our nation is solely ours. We must clean up our own mental and the spiritual debris that lays among us. Just as the physical clean up of the school in MECCA is under way the same must be done on the mental and the spiritual level, Immediately if not sooner. Think about it and tell me.

I cannot conceive or perceive anything else working for us as a set nation of people. If anyone can see another way of making the proper corrections of the errors that have been made among us and by us. Please let us know, all solutions will be taken into consideration.

As stated in previous issues, we accept criticism of all kind. We are looking for input and maximum participation from within our own also from outside factors if the need be.

The elections are coming up and here is the opportunity that was talked about in the JULY issue page five. Let us take complete advantage of the situation that presents itself. It is there for us to utilize. We must become politically active whether we like it or not. For the benefit of us overall. Set aside our personalities and adhere to the principles and values that has been given unto us. Remember think!!!

These are some of the things that we were taught that would have to be indulged, and involved in. The issues and problems of the day, must be faced and addressed. Continual denial only magnifies and intensifies the problems they just don't go away, they have to be resolved.

The issues must be met squarely, head on as a challenge and not hold back at any cost. This principle should be applicable to all of the issues of life. Our success depends mainly on our outlook at things, our point of view. It must be unclouded, free of resentments and self pity. There will be stumbling blocks along the path, without a doubt. However the the stumbling blocks can be turned into stepping stones for growth.

This transformation from the burdened to the unburdened, beaten down to upbeat, careless to caring, tyrannized by chemicals to chemically free. The inspiration from this alone will be as much for the world to see. Also the dramatic change in our lives, will be the people we were intended to be. Reasonably happy joyous and free, moving in leaps and bounds.

Those of us that have had the experiences, know that all errors have to be promptly admitted and corrected, our truths will stand for itself. It is our priorities that have to be assessed, and be put in the proper order and perspective. Constant years of usage of foreign substances and chemicals, have distorted our focus on what is pertinent and what's not.

We feel the time is now, any further delay will be catastrophic. We should give this some serious thought now, later may be to late.

We here at the SUN OF MAN are attempting to convey the divine deliverance of the FIVE PERCENTER'S teachings. Also to carry and transpose the message of contended sobriety more or less.

This we feel can only be attained and acquired by stringent and rigorous honesty to one's self. We know that everyone don't indulge in alcohol and drugs, however the impact that it has on you by those of whom you love and are around you that do, is subtly devastating.

You are not completely aware of the full impact that it has on you and the role that you play in it's behalf. However you can always use and utilize GOD'S formula for living. Which is SERENITY. COURAGE and WISENESS. These three ingredients brings forth acceptance, change and indifference to the aspects of living life fully to the utmost.

We feel that the process of progression is vital to our well being. Although it is direction that is important as long as our direction is right and exact progression will follow. Not only to the benefit of ourselves, for all mankind. For when we prosper all around us will also.

IN THE NAME OF ALLAH

PEACE!

CIPHER SEE THE TRUTH/POWER/BORN WISE WISDOM

"BUILDERS MUST ALWAYS BUILD TO CREATE THE CREATORS"

KNOWLEDGE REASON:

ALLAH stated, one day we'll abstain from all intoxicants. This is KNOWLEDGE in the form of UNDERSTANDING easily understood to BUILD a Nation, "In One Day".

WISENESS OF REASON:

CERTAIN breakdowns in the Supreme teachings, teaches of the catastrophes, which flows in the brains of those who participate in this unrighteous act together against the Supreme God and His Nation, has and will deteriorate itself. Once this WISDOM of UNDERSTANDING is understood in it's Wiseness, One will be able to go straight through the diameter and spilt the Atom (ALLAH'S True Completeness of Mathematics) of the CIPHER of hell. This will give you the Wiseness of Wisdom and set your CULTURE FREE under Self control!!!

REASON WHY THE UNDERSTANDING IS EASILY UNDERSTOOD:

Because a real God Cipher Divine and Equality ALLAH Rule Truth Her is All-Wise and Righteous and does everything Right and Exact.

These are the primary reasons why PRINCE I-ALLAH asks that We as a Nation of UNDERSTANDING CULTURE "AGREE" to abstain from all intoxicants during Our Universal Parliaments (for BUILD hours on every last Sunday of each month) until We can see fit to stop losing time. We must really get busy driving the devil into hell!

"T.B. STYLED GENOCIDE"

BY: ALLAH B

Prisons are hell, but in New York State things are being done so unconscionable that Public Health officials demanded that the Department of Correctional Services stop using faulty tuberculosis tests that showed positive results for healthy prisoners.

The majority of the prisoners testing positive were generally healthy persons from New York City, confined to poorly ventilated, overcrowded prisons in the Mid-Hudson region. A region that has the greatest concentration of prisons (24 of 62) and, perhaps the largest number of prisoners (17,500 of 60,000) in the state.

In 1990, New York State legislators made it mandatory that all state prisoners get tested for T.B. annually. In March of that year, DOCS' Division of Health Services promulgated policies, procedures and guidelines enforcing annual Skin-Test-Negative testing for inmates.

DOCS' entered into a purchasing agreement with Scalvo, Inc., a New Jersey firm, for a T.B. solution about a year and a half ago. Since that time, state prisoners testing positive for T.B. have increased.

According to Thomas A. Coughlin, Commissioner of DOCS, 23% of inmates and 6% of employees in New York State prisons have tested positive for T.B. Commissioner Coughlin made light of these astounding statistics by stating, a positive result only means exposure and not active Tuberculosis.

The Center for Disease Control estimates the national rate for T.B. exposure is 4%. The CDC estimates 10% of those true positive

will come down with T.B. The risk drops to 1% if preventive medication is taken. DOCS' cases are twice the rate of national figures.

The State Health Department found DOCS' new Scalvo T.B. solution to be faulty. Frances Tarlton, spokeswoman for the health department said, they are "retesting inmates and other people at state facilities now believed to have been tested positive" with the suspected Scalvo batches -- lots 192, 219 and 221. The faulty solution used for testing by prison officials came from the New Jersey firm Scalvo, Inc.

Ms. Tarlton of the health department said, in any area where the case rate exceeds 15 per 100,000 is dubbed an epidemic area. Stated more plainly, DOCS has a T.B. epidemic on its hands!

In late September of this year, Shawangunk's prison population was tested for T.B. Shawangunk prison is billed as the "maxi-max" of New York State and it contains what is termed the "system's worst prisoners". Actually, Shawangunk is the end-of-the-line prison where high profile, political and notorious prisoners are kept after being classified as incorrigible. So when testing was conducted using the faulty Scalvo solution, it came as no surprise that a Disciplinary Lieutenant accompanied nurses who administered the test.

It made no difference to prison personnel that many of the prisoners objected to being retested before their anniversary date. Those prisoners refusing the unscheduled T.B. test were threatened outright by the accompanying Lt. with indefinite quarantine, denial of family visits, programs, one shower per week and only one

hour of recreation per week. It was under such coercive conditions that the Shawangunk population was administered the T.B. test with the faulty Scalvo solution.

Commissioner Coughlin never mentioned how many of those testing positive in the system, where the rate of disease is twice the national rate, had been reexamined within 72 hours following more recent testing with Scalvo's readings.

Dr. Mark Chassin, Commissioner of New York State Health Department said "25 documented cases of false positive results" of healthy inmates have occurred at state prisons and other state agencies "over the past year". However, no one alerted these institutions of the false positives readings until now.

On September 25, 1992, the Associated Press reported New York State health officials asked doctors and state agencies not to use the Scalvo T.B. tests. However, those Shawangunk prisoners who tested positive -- true or false -- following the late September Scalvo T.B. test have not been notified of the results nor given chest radiographs within 72 hours of the skin-test readings as required by law. Tuberculosis, if allowed to go untreated, is fatal!

In the 1930's Hitler experimented with prisoners in concentration camps much the same way the Center for Disease Control experimented with Black men in the Tuskegee Syphilis experiment in the 1940's and the Army with LSD on soldiers in the 1960's. Now, New York State's DOCS is doing similar type experiments, injecting faulty T.B. solutions into its predominantly Black and Latino healthy prisoners.

Although, the state has suspended the purchasing contract with Scalvo, Inc., the fact remains that about 15,000 prisoners are being or will be administered drugs for T.B. treatment for 9 months to a year, based solely on false positive readings caused by DOCS' agreement with its unscrupulous cohort Scalvo Inc!

Thus, the questions goes unanswered, what are prisoners to do to counter this mandated T.B. styled genocide?

"ALLAH, THE FATHER"
PART I

By: ALLAH B

Allah, the Father
Revealed His
Almighty Power
In our most
Needed hour
Saving the babies
In Sixty Four
From the devil's
Plan of Devour.

Allah decreed
No more crime,
Cut throat greed,
Or Poisonous swine.

He opened for the babies
His Enlightening store
Freedom, Justice & Equality
He taught the Right & Exact score,
Knowledge of Self to Love Ours more.

The truth
Shall set you free,
This He made born
For without it,
You'll live in scorn.

He changed
Our slave labels
Tom, Dick & Jane
To Righteous names
More meaningful
With saner claims.

Harlem residents of that savage world
Were astounded by truth
Allah's Children righteously unfold.

"Allah is the God", We shouted,
The Original Blackman",
Taking a most dangerous stand
Saving the babies in a vicious land.

The truth
Soon became
Of greater demand.
President Johnson
Playing a phony hand

Blundering In Vietnam.
Brother Malcolm X
Was fast sinking
In CIA quick/sand.

Three months after He began teaching
Arch deceivers started plotting
To destroy the "Black Messiah"
And prevent Our expected rising.

Allah Not being with that
"Home of the brave & buffalo" shit;
The beast setforth on Dec 10th
To assassinate by murderous hit
The Father in the Hole on 127th Street.
Multi bullets aimed did transmit
The full impact of 12 gauge sent,
He deflected upon His sturdy chest,
The assassins sought to put Him to rest
Elephant gun brought for His ultimate test,

The high-powered 30.06 slug
Hit the upper left polar like a lug,
A powerful slam broke his collar &
Flung Him across the basement, not a holler.
The travelling shot pierced His heart & lungs
Lodging in the right shoulder, a reminder for years.

At Harlem Hospital, the coroner announced
Dead On Arrival from excessive lead
But, in the morgue His Astral body
Refused to detach its stellar thread.
Three hours later the Father wept,
The Janitor sworn he saw tears shed.

New York papers screamed,
"5% leader shot dead,
But have revived!"

The Doctors Exclaimed
"Miraculously, He returned
Most unusually He now thrives!"

The Janitor stated he knew
Allah didn't die,
"To cry you gotta be alive!"

We emphatically pronounced,
Allah will always be
Seen & heard through Us,
He survives. For He is
The True & Living God
Not an unseen mystery spook.
